

**The Rotary Club of South Nepean
Ottawa, Ontario
District 7040**

Dear Andrea,

I would like to present to you, an excellent opportunity for public profile in what has evolved into a premier Barrhaven fund raising and social event. Attached is information concerning this very popular (sold out in its first two years) event held annually at the Stonebridge Golf & Country Club.

This will be the third annual event for Barrhaven. The event is organized by the Rotary Club of South Nepean. Each year we have held the event at the Stonebridge Golf and Country Club and have had the event sold-out. Our theme for this event is Our Children, Our Community. All profits are given to local charities.

The top four beneficiaries will include:

- ◆ **OCTC - Ottawa Children's Treatment Centre**
- ◆ **South Nepean Autism Center** - The goal of the South Nepean Autism Centre is to support families and provide networking for them with other families in the South Nepean area, while providing a safe and appropriate environment for their children's needs.
- ◆ **The Nepean Housing Homework Club** - This is a club that has been setup in the Nepean Housing Complex in Barrhaven to enable young girls to have an opportunity to socialize, develop skills and work in a mentoring environment. For some of the young women this is the only extra curricular activity that they participate in.
- ◆ **Renee Stocks** - The Barrhaven community has been behind the Stocks family to assist in funds for her rare medical condition. There is still a long way to go to ensure that the family can meet the \$70,000 per year that is required for Renee's medical bills.

All of our participant food suppliers for this event provide their services and food free of charge, as have the musicians that enhance our ticket purchaser's enjoyment. We are also proud to receive excellent web coverage free of charge from www.BarrhavenLive.ca. And, this year, Stonebridge Golf & Country Club are also providing the venue to us free of charge. This allows us to have very low event expenses and thence a greater amount of money goes straight into the community beneficiaries.

Please feel free to contact me if you have any questions or require more information.

Vice-President,
