\$5000 Spring Shopping Spree-

More than 30,000 ballots entered at over 100 local businesses

Three local women were the lucky winners of this year's shopping spree prizes: \$2500, \$1500 and \$1000. The contest ended on Sunday, May 9th and the winners were treated to a 3-hour Barrhaven shopping spree the following Saturday.

This year, our winning ballots were entered at Barrhaven Veterinary Hospital- 2900 Woodroffe, Barrhaven Family Chiropractic and Wellness Centre- 900 Greenbank and Lovely Nails Spa- 4100 Strandherd. Congratulations to (L to R): Elaine Jette, Susan DiCola and Gail Logan.

“Building on the success of our first year, we collected over 30,000 ballots entered at more than 100 business locations. The marketing campaign was great and we hope that local businesses have profited from new clientele and more local shoppers. We promote the Spring Spree every year to encourage people to shop Barrhaven. Its growing success tells us that consumers agree that this is a great way for our members to say thank you for their business” says Patrick Creppin, BBIA Marketing Chair.

Promotion of the event was extensive in both our primary and secondary market areas and included a local billboard, direct mail post cards and advertisements in local papers. Advertising went to every home in Barrhaven, Manotick, Kemptville, North Gower, Richmond, Osgoode, Greeley and Riverside South.

A summer student will be creating a database from the postal code information collected on each ballot. The BBIA will provide each participating location with a snapshot of where their customers are coming from. We will post an overall report of findings on our website- valuable information for your future marketing endeavors!

We welcome your ideas for how to make next years Spring Shopping Spree bigger and better!

How do we move towards sustainability in Canada's Capital Region?

Choosing our Future is an initiative of the City of Ottawa, the City of Gatineau and the National Capital Commission that will integrate the concepts of sustainability, resiliency and livability into all aspects of regional planning, design and governance.

For Choosing our Future to succeed, it needs to reflect the ideas and imagination of those who live, work and play in the Region, so we invite you, Ottawa's business owners, to help us create a plan that puts forward our best possible ideas for the future and serves as an inspiration, for everyone to work towards a better National Capital Region. Please contact Linda for more information or to RSVP for the Summit at linda.cristina@ottawa.ca.
